

Proposal to Camrose Skating Club

April 2010

I propose that the current Articles and Bylaws of the Camrose Skating Club be amended by streamlining, reorganizing and updating the Articles and Bylaws of the club in order to keep them current with Skate Canada Bylaws, Alberta government regulations, and general practices widely recommended for non-profit organizations to allow the club to continue to carry on business in an efficient manner, now and in the future.

I volunteer to carry out the necessary research and work required for this proposal, submitting drafts of the revised documents to the Board of Directors as work progresses and presenting the new Articles & Bylaws once approved by the Board to the general membership for ratification.

I expect it will take up to one year to complete this task, from initial research to presentation to the general membership at the next Annual General Meeting, expected to be held in Spring 2011.
