

Camrose Has One More Reason To Brag

Members of the **Camrose Skating Club** recently attended a Regional Skating Competition in Wainwright, AB and came home with plenty of medals for their efforts. 22 girls ranging in age from 7 to 16 entered 49 separate flights, bringing home a total of 29 medals (14 Gold, 9 Silver and 6 Bronze). Club spirit ran high throughout the weekend, no doubt fueled by their success and enhanced for some by their spiffy new club jackets, proudly showing one and all they hail from the Rose City.

For some parents, it was not the winning that made them so proud, it was the demonstration of support and positive attitude the girls displayed for each other throughout the weekend that impressed them. Overwhelmingly, parents agree it is the excellent coaching staff (Laurie Hilgartner, Kylie Kushnerek, Sandra Lindenback) and their ability to not only coax hard work and physical development out of the skaters, they also play a huge role in developing an environment that promotes positive self-image, social skills and principles of fair play and good sportsmanship. Camrose already has many reasons to brag when it comes to sports individuals, events and teams - lets add figure skaters from the Camrose Skating Club to the long list of athletes to be proud of!
